

EXTRA LIFE 2017

To our D&D Community:

We play a lot of Dungeons & Dragons here, both in front of the camera on [twitch.tv/dnd](https://www.twitch.tv/dnd) and behind the scenes. But there's nothing more satisfying than playing D&D to raise money for kids. Extra Life is a charity event we've been happy to be involved with, where gamers stream themselves playing with the express purpose of driving donations to children's hospitals. In the past few years, D&D has participated in Extra Life by streaming from our offices and raising more than \$290,000 for Seattle Children's Hospital.

This year, we're doubling down by streaming not only from the d20 Studio here at the Wizards of the Coast offices in Renton, but also pulling together many of our livestream gamers to broadcast D&D sessions from multiple locations across the globe—including game sessions taking place at GameHole Con.

We're starting with a game on the evening of November 3rd featuring the D&D team along with Maze Arcana while they're in Madison, WI for GameHole Con. Then on November 4th, you'll be able to watch 12 hours of D&D live play during the official Extra Life event day.

It's all meant to raise money for a good cause, with Dragon Talk's Greg Tito hosting the day's events.

THRESHOLD REWARDS

As we raise more money together, we'll also unlock content from *Tomb of Annihilation* you can't get anywhere else and preview pages from the upcoming *Xanathar's Guide to Everything*—including in this PDF.

We will also make a cert available to all Adventurers League players at the conclusion of this year's Extra Life. These rewards will be based on the total raised by the D&D team. Benefits will be usable from the end of Extra Life 2017 to the end of Extra Life 2018. Each player will receive one of these certs, and cross the benefits off after using them.

THE TORTLE PACKAGE

As a further bonus, Chris Perkins and the rest of the D&D team have specially created tortles as a playable race available at the [Dungeon Masters Guild](#), with proceeds directing benefiting Extra Life/Children's Hospitals. (If you are unfamiliar with tortles, they are a race of anthropomorphic turtles that have appeared in previous editions of the game.) This material will also include an adventure location and a few added monsters as well!

We're excited to contribute to Extra Life this year and hope you jump on [twitch.tv/dnd](https://www.twitch.tv/dnd) on Nov. 4th to watch all the fun!

APPENDIX B: CHARACTER NAMES

Some players and DMs have a knack for coming up with character names on the fly, while others find that task more of a challenge. The tables in this appendix are designed to make life easier for both kinds of people, whether you're naming a player character, a nonplayer character, a monster, or even a place.

Each table contains names that are associated with a nonhuman character race in the *Player's Handbook* or a real-world ethnic or language group, with a focus on groups from antiquity and the Middle Ages. You can

select from the possibilities here, or use dice to determine a name.

Even though names are associated with races in this appendix, a character might not have a name from their own race. For instance, a half-orc might have grown up among dwarves and have a dwarven name. Or, as DM, you might decide that dragonborn in your campaign have a culture reminiscent of ancient Rome and therefore use Roman names, rather than the dragonborn names suggested here.
