

# STREETS OF NEW CAPEENNA

## THE MAESTROS

When it comes to the finer things, we are elite in every way. Undead have a way of doing that. Our vampiric family runs the Museum of New Capenna. A gathering place for the elite, galas are held at the museum frequently; a curtain of glitz and gold to hide our nature of ruthless assassins. Winning always has a price but let someone else pay it...

**WELCOME TO THE ELITE, CHOOSE MAESTROS!**
