Serialized cards join a remastered product line for the first time! There are 64 retro frame rares and mythic rares serialized out of 500 appearing in a double rainbow version of our traditional foil, and you can find one in 1% of Collector Boosters.

Serialized cards can only be found in Collector Boosters. Serialized cards are always in English but can be opened in Collector Boosters of any language. They are mechanically identical to their non-serialized counterparts.
