Who Is This For?

For dungeon masters and players seeking their next epic fantasy campaign, and World of Warcraft fans eager to cross from desktop to tabletop, D&D: World of Warcraft gives Dungeon Masters the tools to build heroic adventures across Azeroth's beloved zones, memorable dungeons, legendary foes, iconic bosses, and faction-driven stories.

Players can recreate their WoW main or roll a new alt with Warcraft-inspired species, subclasses, professions, magic items, mounts, and companions, then make choices that turn a familiar world into a story and legacy, all their own.

OFFICIAL AZEROTH EXPERIENCE

The first official Dungeons & Dragons expansion set in Azeroth brings a major fantasy gaming world to the tabletop

RECREATE YOUR MAIN

Players can rebuild a beloved WoW character or roll a new alt with Warcraft-inspired species, subclasses, magic items, mounts, and companions

CAMPAIGN-READY WORLD

DMs get familiar zones, memorable dungeons, 60+ monsters, iconic boss stat blocks, and tools to build adventures worth returning to

MULTI-SKU ATTACH

Book, DM Screen, Map Pack, Minis, and a unique Collector Edition create clear upsell paths for fans building the full Azeroth table experience
