

PRODUCT GUIDE

Magic: The Gathering® | **MARVEL Super Heroes** is the blockbuster set of 2026 and is packed with an exciting line of products that fans will want to get their hands on. **Marvel Super Heroes** releases on **June 26th**. Get the scoop on the products below and let your customers know all the details!

PLAY BOOSTERS AND COLLECTOR BOOSTERS

Players can find gorgeous Scene cards, Borderless Source Material Mythic rares, and Full-Art Basic lands in Play Boosters. Collector Boosters are the only place to get the ultra-rare Cosmic Foil Mind Stone, Borderless Gauntlet Infinity Stone, and Classic Comic cards.

MESSAGING

“Play Boosters are a great way to expand your collection and give your decks fun new options.”

“Collector Boosters are great for collectors and for those looking to find cool art treatments, and ultra rare cards like the Cosmic Foil Mind Stone!”

JUMPSTART BOOSTERS

Quick, fun, and easy for all skill levels, Jumpstart boosters are a great option for players just starting their journey, or for those looking for fast gameplay. Jumpstart Boosters contain over 180 new cards, including must-have cards for commander decks.

MESSAGING

“Jumpstart is a fun, unique way to pick up and play Magic. By combining any two Jumpstart Booster packs, you’ll create your own 40-card themed deck—and you’re ready to go.”

MARVEL

SUPER HEROES

COMMANDER DECKS AND COLLECTOR COMMANDER DECKS

Four exciting Commander decks are featured in this set. With specialized gameplay, these preconstructed decks are made for anyone looking to play the most popular format in Magic.

MESSAGING

“Grab all four Commander decks for an epic battle with Earth’s mightiest heroes and villains!”

“Collector Commander Decks are 100% surge foil cards that you can’t find anywhere else and are the must have item for the most discerning players!”

“Commander decks are ready to play right out of the box!”

DRAFT NIGHT

Draft Night is a new draft experience that’s fast and fun! It contains 12 Play Boosters, 90 non-foil lands, 10 tokens and a Collector Booster.

MESSAGING

“If you enjoy Commander, check out Draft Night for a fast and fun draft experience with your playgroup. There’s even a Collector Booster inside!”

BEGINNER BOX

The Beginner box is the perfect way for players to start learning Magic and includes everything they need to jump in: 2 ready-to-play decks, 8 Jumpstart decks, playmats, tokens, and easy-to-follow guides.

MESSAGING

“Learn to play Magic with your favorite Marvel heroes in a guided battle between Captain America and Iron Man!”

MARVEL SUPER HEROES

BUNDLE AND GIFT BUNDLE

The Bundle includes 9 Play Boosters, a traditional foil promo card, and oversized Spindown.

Releasing July 17th, the striking Gift Bundle includes 1 Collector Booster, 9 Play Boosters, 15-card foil lands, an oversized Spindown die, and a Gift Bundle promo card.

MESSAGING

"The Bundle is great for players looking to get started and add to their collection!"

"The Gift Bundle is an exciting product for super fans and collectors, and includes a Collector Booster that may feature an ultra-rare Mind Stone!"

SCENE BOXES

Scene boxes are a fantastic way for collectors to show their love. Choose from Heroes United and Villains Unleashed, each with 6 scene cards in traditional foil. 3 Play Boosters are also included.

MESSAGING

"Show off your Marvel fandom with these gorgeous Scene boxes featuring your favorite heroes and villains!"
